Sorting of waste

We hope you'll help sort the waste.

To the right of the garage is our small "recycling station".

1. Large green container for residual waste.
2. Smaller green container for cardboard and paper
3. Round, green container for raw (and raw only) organic
4. Four grey Boxes for glass, metal, hard plastic as well as deposit return bottles. Se name over the boxes.

Internet

Our internet is called RR and the code is RolsoRetreat

We recommend limited streaming etc. as we have limited internet capacity. The Internet becomes very slow if many stream and download large files.

TV

1. Turn on the TV on the green button (Mirai remote control)
2. TV must be on HDMI (Change with source button if necessary)
3. Turn on humax box (red button on Humax remote control)
4. Press 'PVR' on the remote control (Humax)

The Humax remote control now controls TV channels and volume.

There is only a basic package with national Free-to-Air; DR, DR2, DR Ramasjang. The channels are set. Please do not change this.

For Children

All play facilities are for free use. All toys must be returned to the "play tower" after use.

The pink playhouse, is Frida's private playhouse.

The sandbox is located in front of the barn terrace and has a lid on it. The lid is on to keep the sandbox clean. Please put it back on when you're done.

Garden and Bonfire

The garden is free of use.

The Bonfire spot is in front of the Barn terrace. You must bring your own firewood. It can be purchased from Mimi and Martin. Do not use open fire if it is very warm dry.

Heating

Please help us save electricity and heating and please turn off all lights when you leave the apartment.

Dogs and pets

Dogs are welcome, but we expect you to clean up after them, outside as inside. If you need hay-high bags, let us know.

Dogs are not allowed in the furnitures.

Dog hair must be vacuumed away and other dirt after dogs cleaned. Additional cleaning costs may be incurred if this has not been done.

Upon departure

There is a standard cleaning included in your price. There must be cleaned up, furniture put in place, kitchen utensils and facilitators in the kitchen (including oven and oven plates) must be cleaned after use, dishwasher should be emptied, and garbage removed.

There is a vacuum cleaner behind the curtain to the right of the refrigerator, and there are rags and cleaning products under the sink in the kitchen.

Dog hair must be vacuumed and other dirt after dogs cleaned. Extra cleaning costs may be incurred if it is not properly clean.

Avoid food waste. If you have food in excess that you do not bring, leave it in the kitchen/fridge instead of throwing it out.
